Ainda se encontra na Capela a cadeira na qual Nossa Senhora sentou-se, para conversar longamente com a humilde religiosa do convento. E quem é esta? A resposta está sob um altar lateral, onde se vê um esquite de vidro, dentro do qual jaz uma freira miúda, tão serena que parece adormecida. É Santa Catarina Labouré que, em 1830, recebeu da Santíssima Virgem a mensagem sobre a Medalha Milagrosa.
